Sir:

This is in response to the Non-Final Office Action mailed from the U.S. Patent and Trademark Office on December 4, 2006. Inasmuch as the three-month shortened statutory period for reply is originally set in the Office Action to expire on March 5, 2007 (March 4, 2007 being a Sunday), this Amendment is being filed by the initial due date for reply. However, if any extension of time is necessary, this is an express request for any necessary extension of time and authorization to charge any required extension of time fee or any other fees, which may be required to preserve the pendency of the present application to Deposit Account No. 19-0089.
